We, the graduates of 1959, have come to the end of our three year stay at Christian High. These three years have been both profitable and enjoyable. After graduation we will begin many new and different walks of life. Some of us will go to college; some of us will get a job; others of us will get married. All of us have one thing in common, however. We will be soldiers of Christ. As knights of old, in all parts of their lives were loyal to their king, so shall we strive to uphold the honor and glory of our God in this modern, Atomic Age.

It is with sincere appreciation and great pleasure that we, the graduating class of 1959, dedicate this *Memoir* to Miss Sylvia Ten Broek.

Throughout our three year attendance at Christian we have found Miss Ten Broek to be a source of never ending helpfulness and cheerfulness, always willing and able to be of assistance to any bewildered student.

With lingering memories we recall the American Literature classes instructed by her. Never will we forget her sparkling personality, her graceful manner, her keen sense of humor, her appropriate sense of satire, her unlimited vocabulary, and her eloquence. Most of all, however, we will remember her Christian example, in class and out of class.

For her inspiring qualities of teaching coupled with her talents of music and journalism, we proudly dedicate this *Memoir* to Miss S. Ten Broek.

LADIES CIRCLE

Christian High Ladies' Circle exists for the purpose of helping our school, not only financially, but in promoting parental interest as well. We serve at Open House and other school events, and raise money by Sales, Book Reviews, Hostess Dinners and other means. We also run the Checking Room and sell candy at the Gym for all games. At some of our meetings we sew and work, and at others feature speakers or programs. This year we have pledged \$7,500.00 to the R. S. V. P. Expansion Campaign, payable within three years.

We Covet a large membership in accordance with our large student enrollment, and invite mothers to join our group. Christian High covers a large territory and we realize that some could attend only infrequently, but we would like your name on our list. We are happy because of the new members added this year, and hope that more mothers will join the trend and belong to Christian High Ladies' Circle, thus creating for yourselves a greater and closer interest in the school which your child attends.

the BOARD

To the Graduating Classes of 1959

Each year the Board takes great pleasure in extending its sincere congratulations upon the completion of your high school education. During the past three years you have been given an opportunity for study, discussion, self-expression, contemplation, and meditation; all this for the express purpose of preparing for the final examinations and ultimately for graduation.

However, graduation or commencement is not the end but the beginning, the beginning of great responsibilities that are now placed upon you because of the fact that you have received your education in a Christian school. In effect, the very future of the Christian school system, under God, depends on you its graduates. Will you be willing to uphold, maintain, and support your schools in the future as God gives you the ability to do so? Are you willing now to pray that the real purpose of distinctive Christian Education may never become clouded, or ever lost completely among the present day trends to be like unto the world in all things?

The influence of your Alma Mater on the world today depends greatly on your performing lifes duties faithfully and reverently, not for the praise of men or for payment in material things, but all to the glory of God. A missionary, home on furlough, once told how she was teaching a group of children one day. In telling the story of Jesus, how he lived and died for His own, she brought out, bit by bit, incidents showing His character. One child, listening intently, blurted out eagerly, "I know Him, He lives near us." Can others see Christ in you? That is what the training you have received should accomplish.

We may not only wish that you have prosperity, honor, fame, and freedom from care. All these are pleasant to have, but they are connected with time, things which can be seen for a while and soon disappear, as they are the treasures of this earth.

Our prayer for you is that Christ may dwell in your hearts, and that you may know the joy unspeakable, and in all things may you be "more than conquerors" through Him that loved you.

Alfred G. Gelderloos,
Secretary.

We gratefully acknowledge the help and guidance of our registrar, Mr. De Vroome. His friendliness and common sense are familiar to all students, as they seek his counsel, and many of us have enjoyed his classes in physiology and psychology as well.

faculty

To the teachers at Christian High the graduating class would like to pay the greatest tribute. Because of their dedication and service, young people are going out into the world prepared by a Christian education to face the future with confidence.

We wish to express our gratitude and thankfulness at this time to each teacher who has helped us during our high school years. It is our sincerest hope that their labors may not have been in vain, but that our lives may prove to be true tributes to the faculty at Christian High.

CROSS COUNTRY

The Cross Country Team had another successful season. They finished second in dual meet competition, second in the city meet with 65 points, and third in the regionals with 94 points. This year was the first time our team ever qualified for the state meet. Prospects for next year are even brighter, since only a few seniors will be lost and Arnie Vanden Bok, who came on strong after an operation this year, will be running the whole season.

swimming

The Swimming team had two wins and four losses in the city dual meet this year. Outstanding performers on the team were Jack Huizingh in the free-style and Dave Van Dam who broke the school records in the 100 yard backstroke and the 120 yard individual medley. Prospects for next year are good since there are many sophomores on the team.

Varsity Basketball

Although the Varsity team had a rather dismal season this year, they have high hopes for next year. There are nine juniors and one sophomore on the team.

There were a few bright spots this year. They beat Ottawa twice by one point and beat Holland Christian at the Civic Auditorium. Outstanding players on the team were Jim Timmer, all-city guard, and Clare Tigchelaar. They were also the co-captains of the team.

We would like to thank Mr. Vryhof for working hard with this team and trying to win.

The reserve team had a fairly good season under the direction of their new coach, Mr. E. Vermeulen. They had a record of seven wins and ten losses. The high point of the season was the last game with Creston which they won convincingly.

Each member of the team practiced hard and gained necessary experience. Each is hoping to make the Varsity team next year.

Thank you, Mr. Vermeulen, for your patience and hard work. They have brought good results.

The Baseball Team has ten retiring lettermen. Jim Timmer, Ron Venhuizen, Marv Sytsma, and Clare Tigchelaar provided necessary experience and along with newcomer Tom Vander Woude helped make this team a success. Band

The Concert Band had a very busy and enjoyable year. Daily practice sessions, concerts, district and state festivals, parades, rallies, and many other activities have contributed to make the Band a truly "live" organization. Here, we have learned to play and march together. Under the competent and kind leadership of Mr. Vander Puy, we believe we have reached a marked degree of success. Some of the high spots of the past season have been the Reformation Day Rally, Veteran's Day Parade, Concert Band and Senior Choir Concert, District Band Festival, and the Memorial Day Parade. New instruments added during the past year are a kettle drum, two E flat flutes, and two bassoons. To top the season a banquet plus an outing at Camp Manitoulin was enjoyed. Did we enjoy being in the band? We wouldn't have missed it.

BAND

The members of the Cadet Band have had, much to our pleasure, a very exciting and eventful year. Every day the band practiced for their concerts. During the month of October the band was seen marching down Prospect Ave., practicing our pivots for the Veteran's Day Parade in which we took part.

During the first semester of this year the band members were seen selling everything from magazines to "stay green" and it proved quite profitable.

As to appearance we "played our hearts out" at the concert in our gym on February twentieth as well as marching in the Memorial Day parade and the Tulip Festival parade.

The band would like to thank Mr. Vander Puy for working with us and in making this year a success. Thanks also to Mr. Lester Knott who taught us for many weeks.

ORCHESTRA

Relatively new at Christian High, the Orchestra began its regular rehearsals at the beginning of the school semester. Formed from all the string players at the school and directed by Mr. Vander Puy, we enjoyed a good season as a newly organized group. We worked hard this year, both in sectionals and as a group; and augmented by a few "winds" from the band, we accomplished the task of bringing into existence a good orchestra.

Now that we have laid the foundation for an orchestra we are eagerly anticipating the next year and the arrival of twenty new string players. With an enlarged group and past experience, we hope we can make next year even more profitable than this year.

choir

Under Mrs. Haan's most able direction the A Cappella Choir has again finished another successful season.

The Choir has presented one of its most unique programs this season, namely it's annual Christmas chapel. With the combined efforts of the band, we presented two fine choir and band concerts.

We also sang at the Mel Trotter Mission and with the Grand Rapids Symphony, the chorus sang a major work.

Some of us took part in the Clinic at Mt. Pleasant and the Solo and Ensemble Festival at Junior College. Later in the season were the District and State Festivals. With all the other Midwestern Christian Schools, we participated in the Calvin Festival. We closed our season by singing at the June graduation, at which time many of us sang our last farewell to Christian's High's Senior Choir.

JUNIOR CHOIR

Once again the Christian High Junior Choir has completed a season of study and successful work, under the capable direction and Christian guidance of Mrs. Haan; aided by the accompanists, Virginia Grashuis and Nancy Streelman. Each member has enjoyed the classes in voice-training and learning the fundamentals of music; and each member has pleasant memories of the enlightening experiences which enlivened the many hours of work and concentration.

The Junior Choir participated in chapel worship services and on February 24, joined the Senior Choir in their performance at the South High Auditorium. A highlight of the evening was the performance of Gounod's motet, "Gallia." The Junior Choir also participated in the spring concert and the District Choir Festival.

SENIOR GIRLS' GLEE CLUB

The Senior Girl's Glee Club is again trying to live up to the expectations of their excellent and patient leader, Mrs. Haan. We have worked very hard and are striving for higher goals in music without forgetting that its purpose is to glorify our Lord. We were privileged to sing in chapel and the District Festival with the hope of going on to the State Festival.

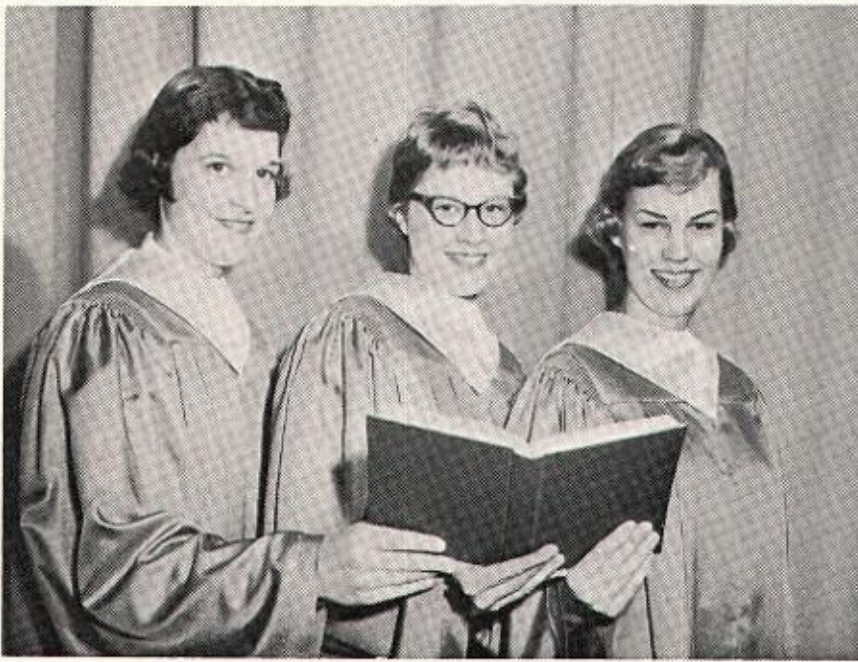

Between semesters we gained about twenty-five new members from the General Music Class. The new girls have had an interesting and enjoyable year under the direction of Mrs. Haan.

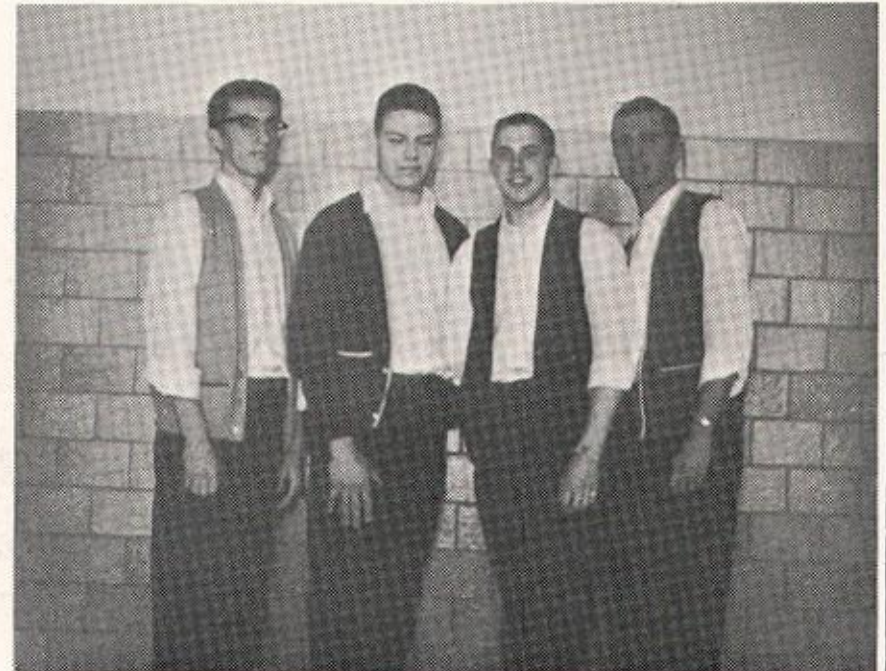

Boys' Quartet: Bob Herrema, Ken Bakker, Jay Bylsma, Larry Bratt.

Girls' Trio: Maribeth Van Vliet, Wilma Veenstra, Lois Rozenboom.

Debate Club

The debaters this season had to be constantly on their toes because each week new evidence for or against the question appeared in newspapers and periodicals. The spotlight was on the subject of Education in 1958-59, so the timely debate question "Resolved, that the United States should adopt the essential features of the British system of education", provided many knotty problems for the debaters to argue. And argue they did — t a third place in city competition and a one win to seven loss record in state competition. At the close of the season the debaters finally came to an agreement on one subject. It is this: Resolved, that next season we will come out on top!

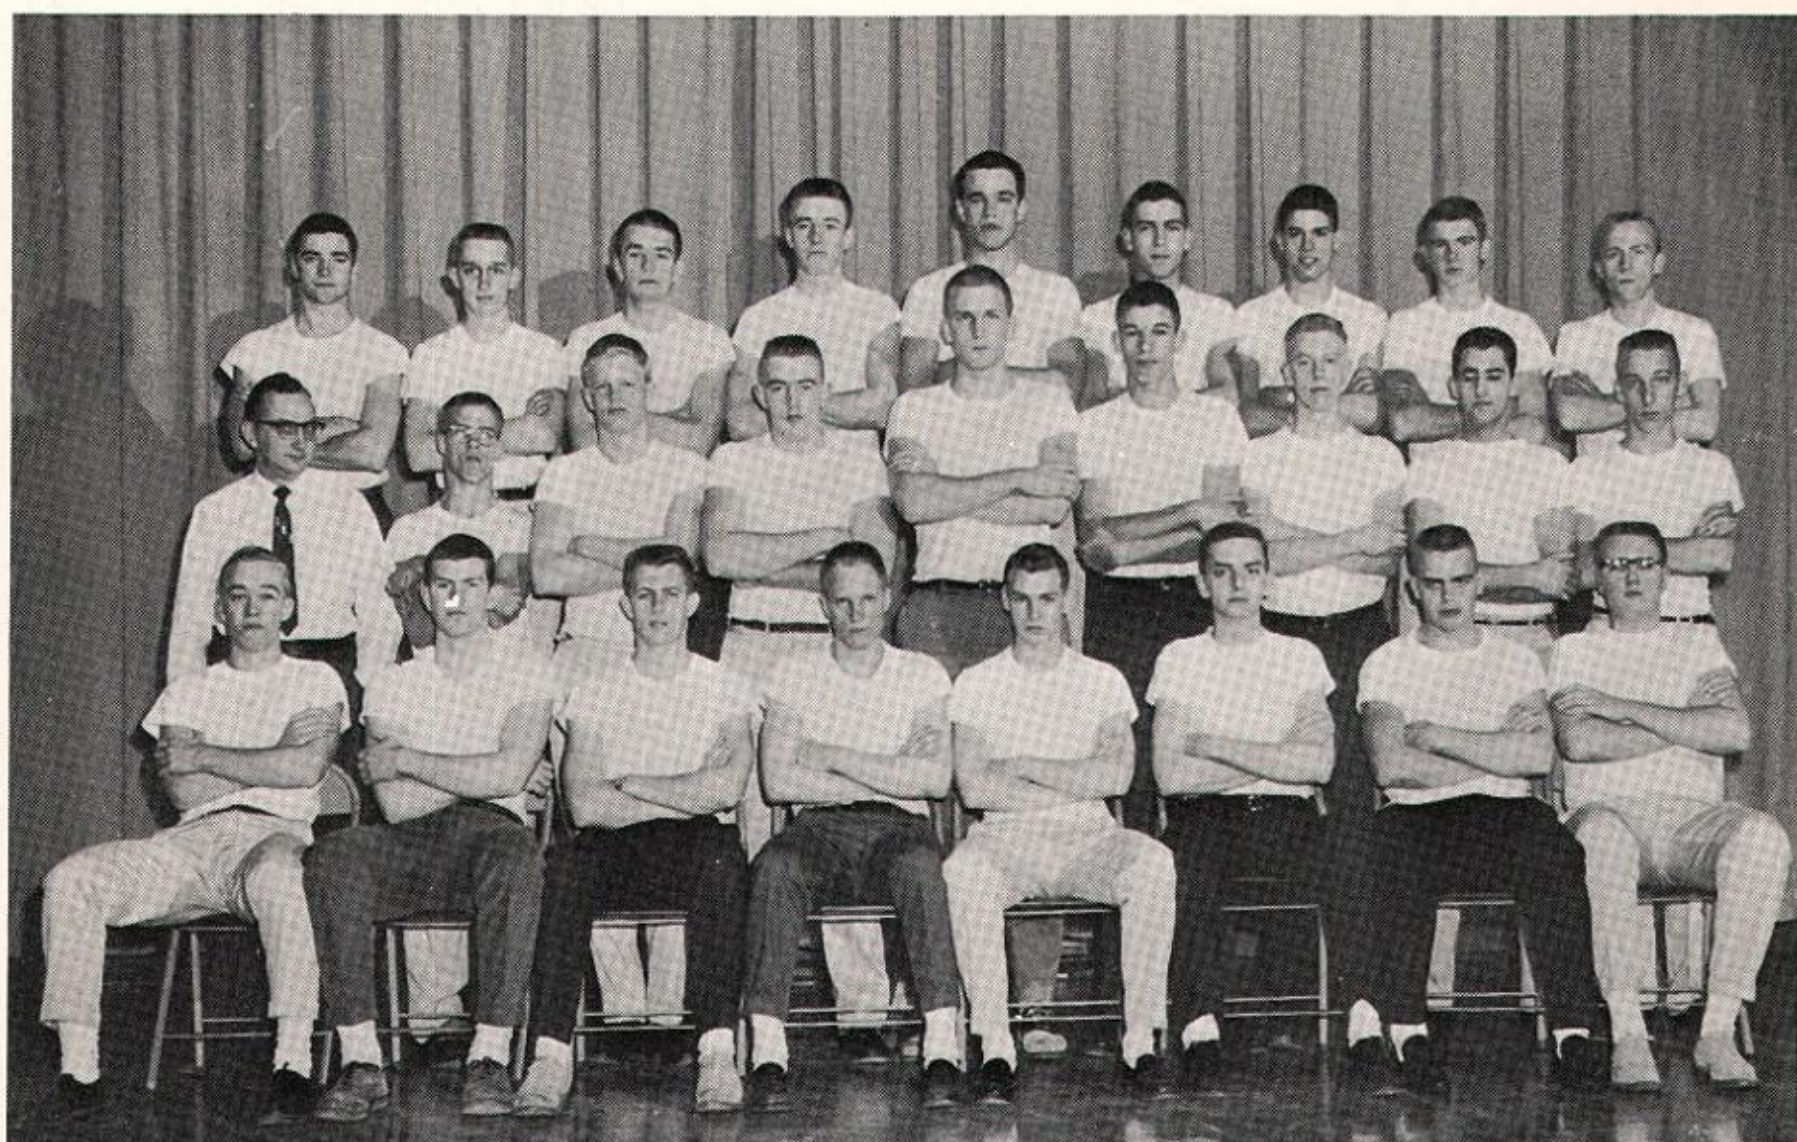

2nd row: Gary Bouma, Mr. Day, Henry Post, Laroy Tymes.

1st row: Cynthia Bordewyk, Kathy Roeloffs, Mary Vander Wal, Mary Blocksma, Bonnie Bolt.

FORENSICS

The orators and dramatically inclined students turned out in goodly number this year to try out for a place in the school team. The city contest was held at Creston High School this year. Competition there was very stiff.

Our speakers also participated in the Michigan West Oratorical Contest, held at Unity Christian High in May. One of the most active groups this year was the R.S.V.P. Speaker Bureau. Many of our students spoke to promote our expansion drive.

hi-y club

The Hi-Y Club has twenty-five members, with new ones being elected each year to replace the ones who have graduated. Each inductee must go through initiation before becoming a full member. The club is a member of the area Hi-Y council, and participates in its activities. Representatives are also sent to the Hi-Y state legislature. The club's basketball team won the championship of the Hi-Y league. The year is ended with a party and a hot dog roast at the beach.

varsity club

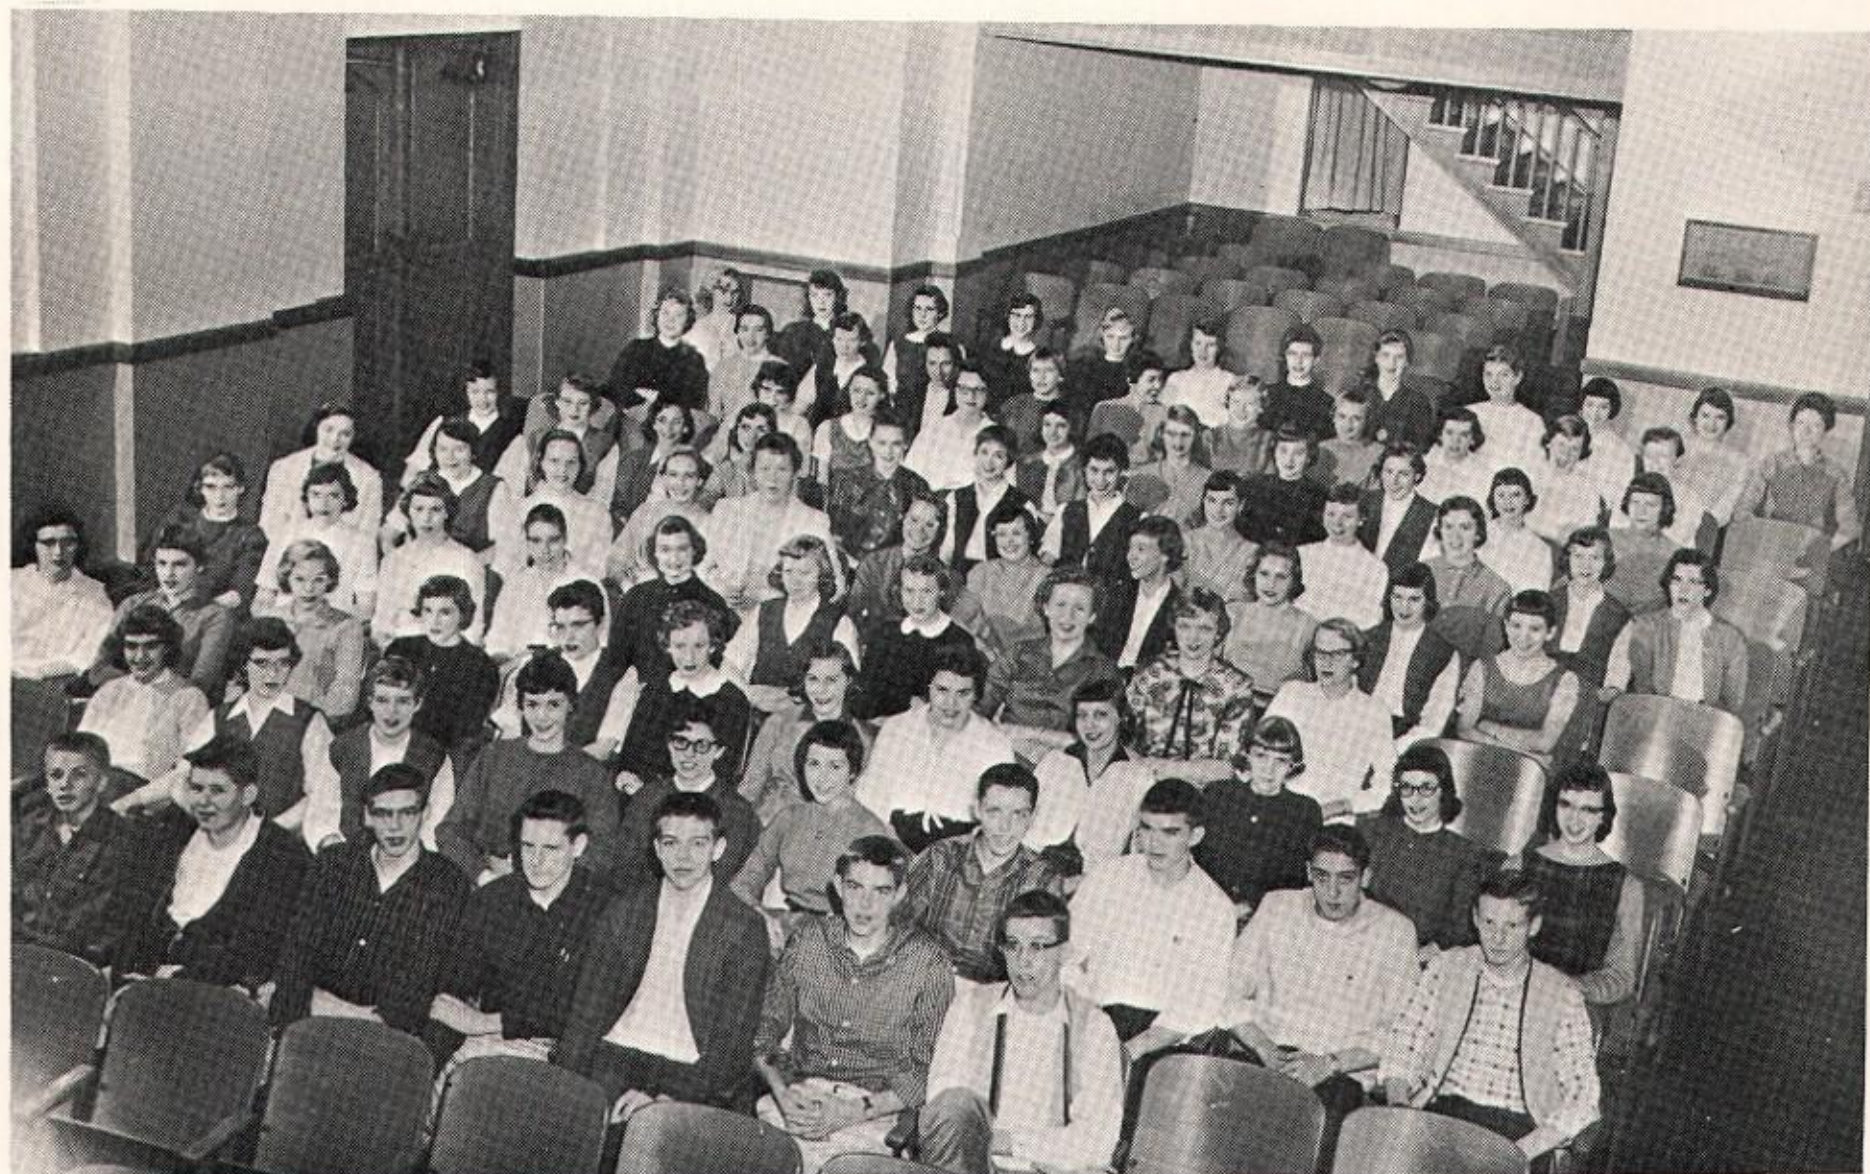

The Varsity Club is composed of all the major letter winners in every sport. Only its members can wear school sweaters with the appropriate marking. The club endeavors to promote all athletics in the high school.

The club has enjoyed a very active program again this year. They have again had the opportunity to sell doughnuts every Tuesday noon, passed out basketball schedules to all the students, and placed a large schedule of the basketball games on the front corner of the Madison Building. The club also donated a sum of money for the promotion of athletics.

The Varsity Club wishes to thank Mr. Vryhof and Mr. Boelema for their help in making the year a success. Also to the students — Thanks for buying our doughnuts.

10th grade

Do I want to become a teacher? What is there in teaching? These and many other questions were answered to those who belonged to the Tenth Grade Future Teacher's Club. Under the capable leadership of Miss Menninga, our sponsor, we endeavored to learn about the teaching profession. With speakers and discussions, we learned all the opportunities and qualifications of a teacher, as well as the problems that a teacher faces.

Since there are so many students at Christian interested in teaching, the club has been divided into three separate clubs, for the tenth, eleventh, and twelfth grades. Each has its own club sponsor and officers.

The activities of the Tenth Grade Future Teachers Club included such things as conducting chapel services and selling Future Teacher's Club pins. All in all, this year was a very successful one for the Club.

11th grade

The Junior Future Teacher's Club has been very active this year. With Mr. Van Tol as our sponsor, we have had films and speakers at our meetings.

An added attraction for the entire Future Teacher's Club was the panel discussion held in February. Serving on the panel were Mrs. J. Oostdyk, Miss Doris Knol, Mr. Bert Bratt, and Mr. J. R. Bos, representing the primary, intermediate, junior and senior high school levels respectively. Those members answered such questions as: "Is the discipline problem greater in Junior High?" "How can you best deal with the student who has a wisecrack about every thing done in the classroom?" and "How can you tell whether the class is interested?"

In all of our activities, we try to promote the interest and future of the teaching profession.

12th GRADE

The Senior Future Teacher's Club, under the direction of Mr. Kamstra, is completing its second year as a separate senior group. Both years have been very successful with a large number of students attending each meeting.

The aims of our club are to create an interest in, and to increase our knowledge of the teaching profession. This has been done by having speakers, pictures, and panel discussions. We, also, had the experience of observing and conducting classes in the local Christian grade schools.

future kingdom workers club

The Future Kingdom Worker's Club was organized to promote an interest in and increase our knowledge of the various fields of full-time Christian service. These aims are accomplished by having interesting films and speakers at our monthly meetings. An excursion was taken to Chicago, where we visited various places of interest to all. All who would like to go into full-time Christian service are welcome to join us.

On the second Tuesday of every month, one of the many fields of nursing is introduced to the members of the Future Nurses Club. These members include 10th, 11th, and 12th graders who are interested in getting a glimpse of their possible life careers. This is done by the showing of films on medicine and by the giving of talks by nurses themselves. The club is under the leadership of Miss Strikwerda.

After a "kangaroo court" trial for the initiation of the freshies at the first meeting, the club proceeded through a very successful year. Besides collecting regular dues, the club members raised money by selling paddle pops at various basketball games. Club pins were also sold.

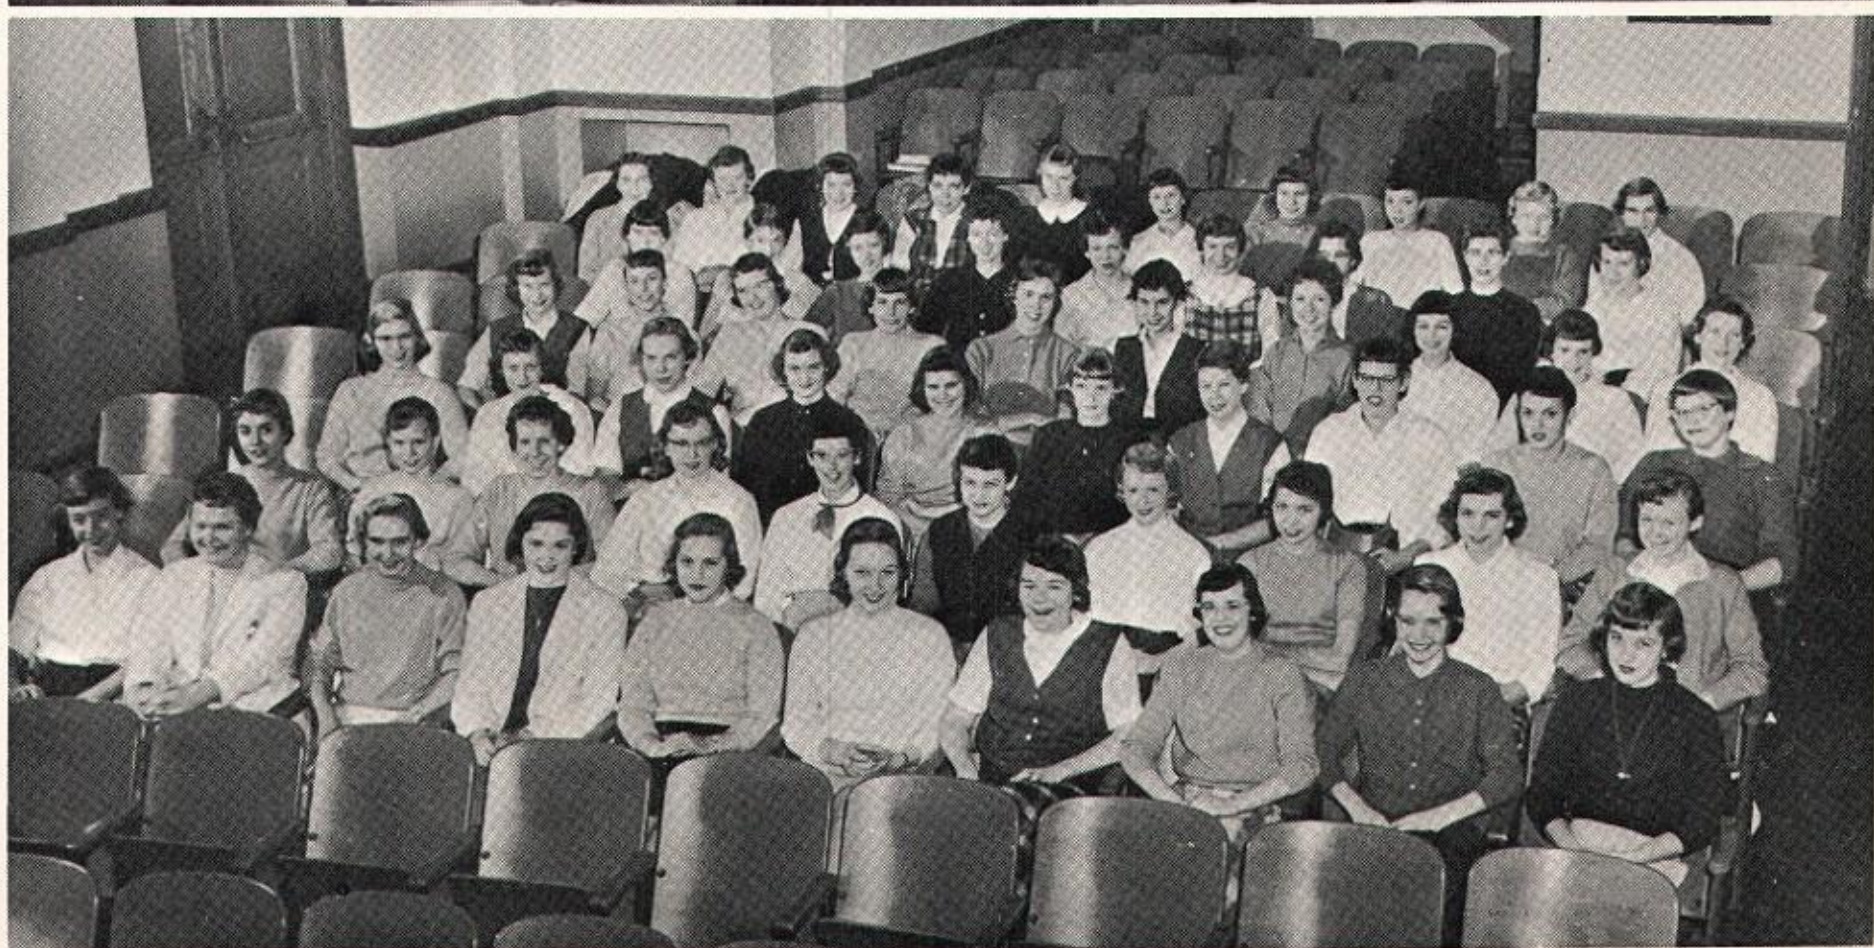

All this activity reached its climax in the spring of the year when the members of the club went on a field trip. They visited a place of medical interest where they came in direct contact with the kind of work they might become a real part of in the future.

horizon club

The Horizon Girls have this year again extended their horizons beyond the halls of Christian High. With service to God and the community their aim, They have spent volunteer hours as flower-arrangers, tray-passers, dressing-wrappers, and general "cheering uppers" in the rest homes and hospitals of Grand Raids. For some it has meant the earning of bars recognizing their regular hours of service. For many' it has been the "curtain raiser" to nursing careers or years of voluntary service.

CADUCEUS CLUB

The word Caduceus is the Latin name of the symbol for medicine and healing. Therefore, when in October '58 this medicine club was formed, it chose this as its name. It was formed for the purpose of stimulating interest in medicine and its related fields, and acquainting its members with various aspects and opportunities in this field. Its membership includes future doctors, dentists, pharmacists, etc. The club has had speakers, films, and projects pertaining to narcotics, antibiotics and other products of medicine in the commercial and scientific sense.

RADIO CLUB

Last Fall the Radio Club began its weekly meetings. This year the club is studying the theory of radio transmission and the International Morse Code. Our sponsor is Mr. Menninga. The study of theory is led by Mr. Vryhof and the study of code is led by Mr. Veltema.

We meet every Wednesday during the fifth hour. We also meet during noon hours to work on special projects. We have done some sending and receiving with the Ham rig that is located in a corner of the Chemistry Lab. We have also built some receiving equipment in order to study radio circuits and radio theory.

philatelic club

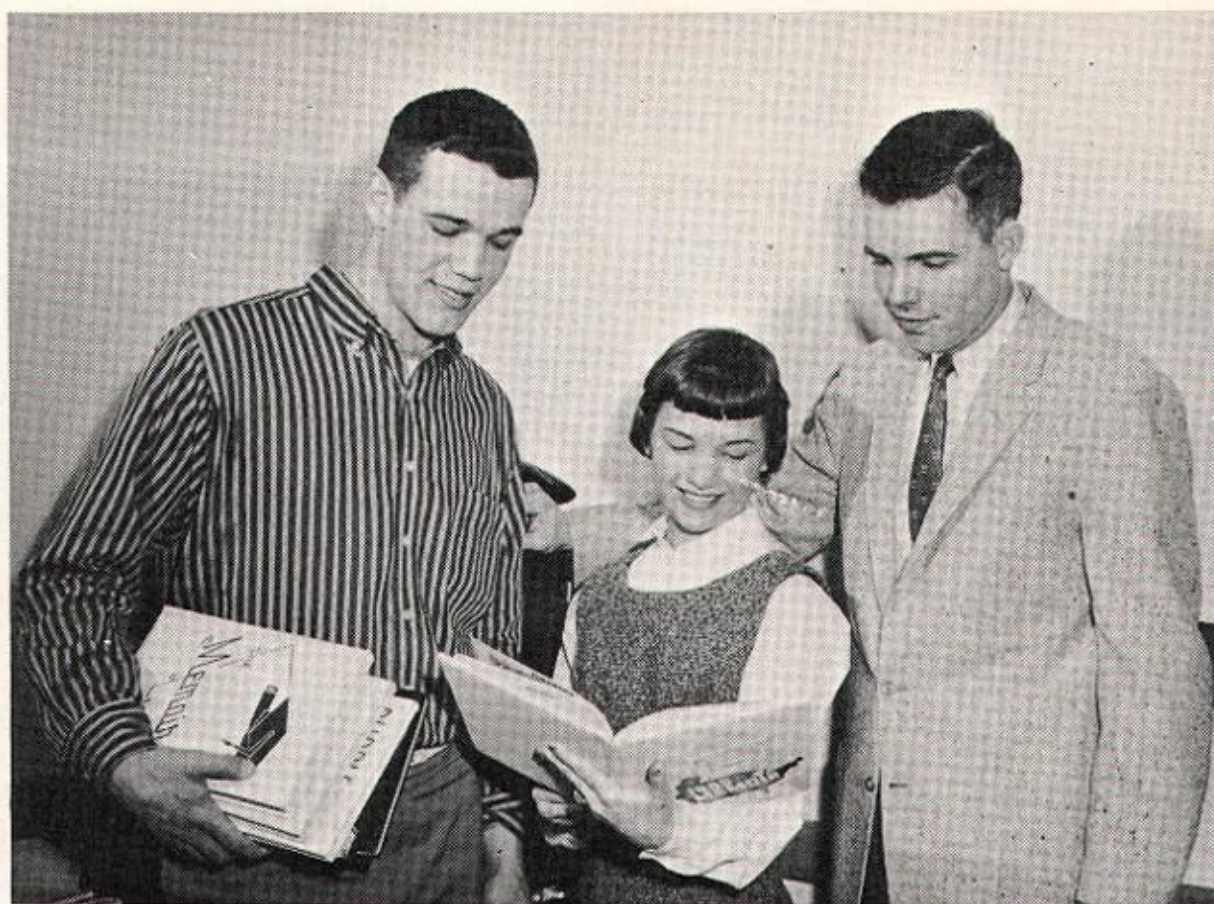

Every other Wednesday a group of enthusiastic philatelists—stamp collectors in ordinary language—meet in the library under Mr. Smilde's guidance.

New developments in the stamps are discussed. A portion of each meeting is devoted to stamp trading between members. Frequently, spirited auctions are held at which the stamps are sold to the highest bidder. Other interesting meetings include those in which we have outside speakers come to our Club and discuss with us their collections.

In order to publicize the fine art of stamp collecting, unusual collections of the various members were exhibited in the display windows of the first floor hall.

honor

For fourteen years, the National Honor Society has been in existence at Christian High. Our society, bearing the name The Christian High Torchbearers, is a chapter of the National Honor Society with headquarters in Washington, D. C. Our sponsors for the past year have been M. J. P. Hoekenga and Miss D. Spaan. Mr. Hoekenga has been a sponsor for all of its fourteen years while Miss Spaan is a newcomer this year.

The aims of the club are to promote leadership, scholarship, and Christian character among the students at Christian High. Members are chosen from the junior and senior classes on the basis of their scholarship and citizenship. This year the society had a membership of 111.

Very few meetings are held during the year, the reason being that the members are usually engaged in many other activities in school. However, two outings are held annually, one in the fall and the other in the spring. At these times, the experienced members find it their opportunity to initiate the unsuspecting newcomers. In spite of this, a fun-filled time is had by all.

And my horn's gone too!

Entitled "Seventeenth Summer", our senior class play was about the romance and problems of a seventeen-year-old girl.

Perhaps one of the most interesting features of the production of the play was the striking resemblance between the characters of the play and the characters of the cast itself in real life.

Due to the whole-hearted participation of the audience, the faithful practicing of the cast, the excellent leadership and inspiration of the director, Mrs. Bolt, and the enthusiastic assistance of the various committees, the play this year was a great success.

student council

The Student Council is an organization of prime concern to every Christian High student. The various January and June classes all elect representatives to it, and the entire student body elects the president, making the Council's total membership nineteen. Meetings are held during the fifth hour the first and third Mondays of the month. At the meetings the Council takes up various student problems.

The Council's main responsibilities are to further the welfare of the school and to promote better relationships and understanding between the student body and the faculty. They have also sponsored Twirp Season, student Chapels, all-school skating parties, hymn sings, and the publication of the Student Guide. This particular year they have also helped to promote the expansion program of Christian High.

Since this is a student representative Council, all suggestions and ideas from the students are welcomed and appreciated.

Again the Council would like to thank the faculty advisor, Rev. M. H. Faber for his faithful guidance and help in all that the Student Council has undertaken in the current years.

Those anxious fans.

Now put in his mouth!

This is what we mean, Pat.

Where Mr. Ribbens puts in his time.

What's with the yellow shoes?
Don't you know? It's blue and gold day.
